

## **Semi Finals**

### **General Information**

Semi finals will be played on Saturday 13<sup>th</sup> March between the top four teams in each section. Neutral venues and, where possible, neutral surfaces have been allocated as set out below. All venues are the primary location of the club mentioned. The first mentioned team is deemed to be the home team and is responsible for supplying a score card. If a match is unfinished, the home team should keep the score card and report the match status to Barry Palmer by phone before 6pm. As there is no spare weekend this season please make every effort to complete your match on Saturday. Unfinished matches will be continued on Sunday from 9am. The winning team is responsible for delivering the completed score card to Barry Palmer by 10pm on Saturday or as soon as possible after the match if on Sunday. All teams are to supply one pair of approved new balls and be accompanied by the appropriate number of adults (see by-law 16c). Host clubs are asked to have courts opened up ready for play by 7:45am Saturday and 8:45am Sunday if necessary.

To be eligible for finals, you must have played at least one match in each half of the season plus one other match. Special dispensation may be granted in exceptional circumstances. Most rules remain the same for finals as for the home and away matches. The exceptions are

1. All sets in all sections are advantage with a tie-break at 6 games all,
2. There will be no drawn matches. If games and sets are equal after the final set, a doubles tie-break will be played to decide the winner. The participants in the tie-break can be any team members who have played in the match,
3. Doubles sections will play a conventional (advantage) deuce instead of the sudden death version.
