- (n) General business

2. RULES FOR HOME AND AWAY MATCHES AND FINALS

Composition of Teams – Type of Play

With all sections of each competition:-

- (a) An adult must be in attendance with each junior team and must sign the score card. Non compliance will result in a \$20 fine.
- (b) Matches are played in the AGE GROUP 18 and under. In summer, the cut-off is December 31 in the year of the start of the season.

Singles/Doubles (Unisex) – Minimum of four players

Matches consist of four singles and four doubles sets. Singles players must play in their nominated position from the start of the season. If there are more than four in a team, the four playing singles must play in their position relative to each other. For example if the No.1 player is not playing singles, the No.2 player plays in the No.1 position, the No.3 player plays in the No.2 position and so on. In an emergency situation, a team is permitted to field only three players. In that situation, three sets (two doubles and one singles) will be forfeited. The three must play in their relative positions, but it is up to the club whether a player moves up to fill the gap left by the missing player. For example if the No.3 player is absent, the No.4 player is not required to move up to the No.3 position, he/she may play in his/her regular position and in that event, the team would forfeit the No.3 singles set. Any emergency must play in order as decided by the club when he/she was registered. Generally an

emergency registered in a higher section – see 5d and 5e – would play in the No.1 position and an emergency registered in a lower section would play in the No.4 position. The playing order may be changed (emergencies included) in writing up to Round 5, with the new order fixed from Round 6.

Order of play – home team first:-

Doubles – 1st pair v 1st pair; 2nd pair v 2nd pair

Singles – 1 v 1; 2 v 2; 3 v 3; 4 v 4

Reverse Doubles – 1st pair v 2nd pair; 2nd pair v 1st pair

In a match, no player having played in the 1st doubles pair may play in the 2nd doubles pair and vice versa, in the reverse doubles (no one should play the same doubles opponent twice in the same match). Doubles sets are six games straight and singles sets have a tie-break at six games all. In finals, there is a tie-break at six games all for all sets. All matches are decided on games won, if games are equal, then sets, if sets are equal, the match is drawn. In finals, if scores are drawn, the team managers nominate one player (he/she can be any team member playing that match) to play a singles tie-break decider. Even though adults are required to be present, they do not need to be on the court. The players are to umpire themselves.

Doubles (Unisex) – Minimum of four players

Matches consist of six doubles sets played in the following order:-

1&2 v 1&2; 3&4 v 3&4; 1&3 v 1&3; 2&4 v 2&4; 1&4 v 1&4; 2&3 v 2&3

If more than four team members play in the match, the extra name(s) should be written on the card and numbered 5, 6, etc. If preferred, the back of the card may be used for the extra name(s). The existing player numbers in the sets columns on the score card (1&2, 3&4, etc.) should be replaced with 5, 6, etc. indicating the set(s) in which the extra member(s) played. No team member shall play more than one set with the same partner. For all home and away matches, there will be a sudden death point played at deuce (no advantage point) and sets will be six games straight. In finals, there will be a conventional deuce and a tie-break at six games all. Matches are decided on games won, if games are equal, then sets, if games and sets are equal, then the match is drawn. In finals, if scores are drawn, the team managers nominate two players (any combination) to play a doubles tie-break decider. Adults are required to umpire all matches.

3. AFFILIATION

All clubs must be affiliated directly with Tennis Victoria.

4. FEES

Each club must pay an annual affiliation fee of fifty dollars (\$50) at the start of the summer season. In addition, there is an entry fee of twenty five dollars (\$25) per team each season.

5. QUALIFICATION AND REGISTRATION OF PLAYERS

- (a) Clubs shall enter teams on the entry form provided by the Association in order of Club grading.
- (b) Any additional names submitted for registration after completion of team grading will be subject to individual grading and possible non-registration. Additional names after the start of the season must be in writing and be received by the Score Secretary by noon Friday prior to the match. In exceptional circumstances, names will be accepted by telephone up until the official start time, but confirmation in writing must be received no later than the Tuesday following the match.
- (c) A player must play in at least three matches (one in each half of the season and another in either half) to be eligible for finals.
- (d) A player who has played three matches in a team is not permitted to play in a lower section or in another team in the same section.
- (e) A player who has played less than three matches may drop one section from the original grading. Any further downward alteration to a player's grading will require a permit from the Association.
- (f) All players registered must be financial members of the club that registered them.
- (g) No player shall transfer from one club to another during the currency of a competition without the consent of the Association, and then only if he/she has obtained clearance from the club which registered him/her. Seven days notice of such application together with the clearance certificate to be given to the Association Secretary. For the purpose of the by-law, "the currency of a competition" includes the period from the official entry closing date for that competition.
- (h) No player who plays in another association or club on Saturday may play in a Berwick and District Tennis Association competition in the same season without a permit from the Executive of the Association.
- (i) No player shall compete in more than one Association match listed in the same round even if mutually rescheduled.
- (j) In the event of any interruption or postponement, all finals matches whenever played or continued shall be deemed to be played on the day originally listed and only players eligible to play on the original day shall be eligible to play.

6. MATCH COMMITTEE

The Match Committee shall be responsible for grading players, emergencies and teams and shall do all things it shall consider necessary or desirable to conduct the fixtures with the exception of disputes which shall be adjudicated by the Executive Committee. The Match Committee shall be subjected to the Executive Committee.

7. CONDUCT OF MATCHES

- (a) All matches shall start at 8.00 am sharp Saturday (unless otherwise mutually arranged) with a grace period of 15 minutes, and will continue until completed or 12.30 pm. Hit up time is to be limited to a maximum of five minutes at the start of each player's first set. Play shall be continuous thereafter.
- (b) Penalties for late starting shall be loss of the first set after 15 minutes or the first two sets where two courts are available. After 30 minutes a team may be called on to commence the second set (or third and fourth sets where two courts are available). If unable to do so, the opposing team may claim the sets to love. If the match has not started within one hour, the team not in default may claim the match on forfeit.
- (c) Where a match is in progress, and a player is absent when due to play, his/her set will be forfeited after five minutes.

8. COURT / WEATHER CONDITIONS

- (a) Teams must assemble at the court for matches unless otherwise mutually arranged by team managers. If play has not commenced within 1¼ hours of the stipulated start time, the match may be abandoned by either team.
- (b) Where a match is stopped due to weather or court conditions, both teams must agree before the match is abandoned. However if play has not resumed within 1½ hours, either team may abandon the match.
- (c) In all cases the court supervisor shall have the final say regarding court playability.
- (d) On days of extreme heat, before play can be stopped, both teams must agree except when the temperature reaches 38° C and either team has the option to stop play. Play may be stopped in the case of bush fires or other emergency.

9. SUBSTITUTES DURING A MATCH

In the event of a player sustaining an injury during a set, and being unable to continue, the remaining games of the set will be forfeited. Should no eligible substitute be available within 30 minutes for any of the

un-played sets, these shall also be forfeited. To be eligible, a substitute must be registered and fulfil all the criteria set out in 5(c) through to 5(j). In addition, in singles, the substitute must play in his/her nominated order. This means that a substitute from the section above, subject to 5(e), should play as No.1, a substitute from a section below should play as No.4 and another team member (not scheduled to play singles that match) should play in his/her normal position relative to the other players. In the event a substitute is from another team in the same section, subject to 5(e), he/she should play in the position closest to club grading with relation to the other players.

10. BALLS

- (a) The home team shall provide two pairs of **good** used balls for each match.
- (b) In finals, each team shall provide one pair of new balls.

11. POINTS SCORING / RESULT REPORTING

- (a) In all matches, one point is awarded for each set won and three points for a win. If the match is unfinished, points for any unfinished set are split between the two teams. If a match is undecided or drawn, the win points are split between the two teams.
- (b) If, after one warning, a player is in violation of the Dress Code in subsequent matches, any winning sets played by the offending player will be forfeited. If this applies to both teams in any sets, neither team will be awarded the points for those sets.
- (c) In the Singles/Doubles competition, if a player wins a singles set while playing below his/her nominated position, that set shall be forfeited and the point shall be awarded to the opposition.
- (d) If a team plays an unregistered player, any winning sets played by the unregistered player shall be forfeited and the points awarded to the opposition.
- (e) If a club continues to play an unregistered player after written advice by the Score Secretary, that club will be fined \$20 for each offence.
- (f) Home teams must inform the Score Secretary of scores on the day of the match before 10 pm, either by phone, email, or by delivering the score card. Failure to lodge results by 10 pm incurs a \$20 fine.
- (g) All score cards must be either delivered to the Score Secretary or posted to arrive no later than Tuesday following the match. In the event a match is not played, a score card with the names of the players of both teams must still be lodged. Failure to lodge a score card by Tuesday's mail incurs a \$20 fine. If the match is abandoned in advance by the home team and the away team told not to come, a score card with at least the match details (date, home and away

teams and the reason for the abandonment e.g. washout) must still be lodged no later than Tuesday. Players' names are optional in this case, but if a name is not on the card, no credit will be given for the match. Names on the card must be of players who are eligible to play in that match. In the event the away team is told not to come, they may if they wish submit a score card with the team for the abandoned match no later than the following Tuesday.

- (f) Points will be withheld pending receipt of the score card.

12. FORFEITS

- (a) In the event of a team winning by forfeit, the Club Secretary shall forward a score card with the team for that match to the Score Secretary by the following Tuesday. Members of that team shall be deemed to have played the match. The team will be deemed to have won all sets to nil and awarded maximum points for the match. The Club whose team forfeited shall be fined \$40.
- (b) A team forfeiting three matches will be withdrawn by the Executive for the remainder of the season. All matches against that team before and after that date shall be considered byes.

13. DISPUTES

All disputes shall be dealt with by the Executive Committee. Parties to all disputes shall, after presenting their case, retire from the meeting whilst a decision is reached.

14. PROTESTS

- (a) All protests must be lodged with the Association Secretary within 48 hours of the match concerned. A telephone message will be accepted provided the written protest is in the hands of the Association Secretary by noon on the Wednesday following the match (accompanied by a deposit of \$5 which shall be forfeited to the Association if the protest is deemed frivolous).
- (b) The affected team is to be advised of the intended protest by a note on the back of the score card.
- (c) The protesting club shall forward a copy of their protest to the other club by noon on the Wednesday following the match.

15. PLAYER OR OFFICIAL CONDUCT

Misdemeanours of any nature by a player or official during any match may be reported. Such reports must first be noted on the appropriate score card thus indicating to the opposing team that the matter will be reported to the Association. Further, a letter conveying full details from the Club Secretary must be in the hands of the Association Secretary

seven days from the date of that match. Such players and/or officials involved must attend meetings as requested by the Executive Committee.

The Executive may:

- (a) Suspend, disqualify or expel persons as a consequence of their misdemeanours;
- (b) Impose a fine on the club for a breach of conduct.

Upon a determination being made to disqualify a player, that player shall be ineligible for further competition during the period of disqualification. A club shall forfeit any points won in the competition by it during any matches in which a disqualified player takes part. The Association Secretary shall notify the Club Secretary in writing of that decision within seven days.

16. FINAL SERIES

- (a) At the completion of the home and away matches the four leading teams shall play off in the final series. The Executive will decide the venues.
Semi-finals: 1 – No.1 v No.2
 2 – No.3 v No.4

Preliminary final: Loser of semi-final 1 v winner of semi-final 2.
Grand final: Winner of semi-final 1 v winner of preliminary final.
- (b) Same or neutral surfaces will be used wherever possible.
- (c) For doubles sections, each team is to provide two adult umpires. For singles sections, each team is to nominate one adult as the person to settle disputes if necessary. There is no need for those adults to be in the court enclosure, as the players are to umpire themselves. Failure of a team to provide the appropriate number of adults incurs a \$20 fine.
- (d) If there is no spare Saturday, and a final is washed out, that final will be played on the following Sunday commencing at 9 am.

17. PENNANTS AND TROPHIES

Pennants will be provided by the Association for the winners in each section. Trophies will be provided for the winners and runners up.

18. CLUB FINES

- (a) The Association Executive as provided for in the Constitution shall be empowered with the setting of the actual fines applicable for breaches of the Association By-Laws.
- (b) Whenever possible the current fines will be published in the official handbook. This list of breaches and associated fines is on page 3.

- (c) The Association Executive has the right to introduce fines for additional breaches at any time as required to effectively conduct the Pennant competition. Any additional fines introduced will be announced to all clubs at the first available opportunity.

19. TENNIS LAWS

The laws of tennis as adopted by Tennis Victoria shall apply to all matches except where modified in these rules.

20. HONORARIUMS

The Executive and Committee members of the Association shall act in an honorary capacity except that honorariums may be paid to those officers as determined by the members at the Annual General Meeting and shall be paid for the preceding year.

21. MATTERS NOT COVERED

Any matters not provided for in these rules shall be determined by the Executive Committee whose decision shall be final and shall be taken and acted upon as binding to all clubs.

CODE OF DRESS

The Executive of the Berwick and District Tennis Association asks every club to advise their players of the Code of Dress that will be enforced. Checks will be made at matches and any incorrectly attired player will be reported. Persistent breaches will incur penalties.

Track suits are only permitted for warm ups and in cold weather. Only recognised coloured tennis attire and footwear are permitted. Girls must wear a dress OR shirt with skirt or shorts at all times. Boys must wear shorts and a shirt at all times.

Singlets, tank tops, "granny-tops", multicoloured shirts, cargo shorts, board shorts, bike shorts, football shorts or socks, ripple-sole or black soled shoes, shoes with heels and cross trainers are definitely NOT PERMITTED.

TENNIS ETIQUETTE

ON THE COURT:

1. It is your obligation to call all balls on your side, to help your opponent to make calls when the opponent requests it and to call **against yourself** (with the exception of the first serve) any ball that you can clearly see out on your opponent's side of the net.
2. If you have any doubt if the ball is out or good, you must give your opponent the benefit of the doubt and play the ball as good. You should not play a let.
3. In doubles, when returning service, the partner of the receiver should call the service line for him/her, with the receiver calling the centre and side lines.
4. Any "out", "let" or "fault" call must be made instantaneously (that is before either an opponent has hit the return or the return has gone out of play). Otherwise the ball continues in play.
5. If you call a ball "out" and then realise it was good, you should correct your call.
6. Do **NOT** enlist the aid of any spectators in making line calls.
7. If players cannot agree on the score, they may go back to the last score on which there was agreement and resume play from that point.
8. Players are prohibited from checking ball marks on their opponent's side of the net.
9. Wait until the point is over before walking behind the court where a match is in progress.
10. To retrieve a ball from another court or to return a ball to another court, wait until the players have completed the point.
11. Do not stall, sulk, complain or practice gamesmanship.

CODES OF CONDUCT

PARENTS

1. Encourage children to take part if they are interested. If they are not, don't force them.
2. Focus on playing the game, reduce the emphasis on winning. Teach children that an honest effort is just as important as winning.
3. Encourage children to play by the rules.
4. Never ridicule or yell at a child for making a mistake or losing a game.
5. Remember children are involved in sport for their enjoyment, not yours.
6. Remember a child learns by example. Applaud good play by all teams.
7. If you disagree with an official, raise the issue through the appropriate channels rather than in public. Remember that most officials are volunteers.
8. Support all efforts to remove verbal and physical abuse from sporting activities.
9. Avoid the use of gender based derogatory language.

SPECTATORS

1. Remember children play sport for fun. They are not playing to entertain spectators. They are not miniature professionals.
2. Applaud good performances from each team. Congratulate all players regardless of the outcome.
3. Respect the officials' decisions.
4. Never ridicule or scold a child for making a mistake during a competition.
5. Condemn use of violence in any form, be it by spectators, coaches, officials or players.
6. Show respect for your team's opponents. Without them there would be no game.
7. Encourage players to follow the rules and officials' decisions.
8. Demonstrate appropriate social behaviour by not using foul language, or harassing players, coaches or officials.
9. Avoid the use of gender based derogatory language.

TIE-BREAK PROCEDURE

The following system is to be used in a tie-break game. No other is permitted.

Singles

- (a) A player who wins seven points and leads by a margin of at least two points shall win the game and the set. If the leading player on winning seven points does not lead by at least two points, the game will continue until there is a margin of two points.
- (b) The player whose turn it is to serve shall be the server for the first point. His opponent shall be the server for the second and third points after which each player shall serve alternately for two consecutive points until the winner has been decided.
- (c) From the first point, each serve shall be delivered alternately from the right and left courts, beginning from the right court.
- (d) Players shall change ends after each six points and at the conclusion of the tie-break game.
- (e) The tie-break game shall count as one game for the ball change.

Doubles

In doubles the procedure for singles shall apply. The player whose turn it is to serve shall be the server for the first point. Then each player shall serve in rotation for two points in the same order as previously in that set until the winning pair has been decided.

Rotation of Service

The player (or pair in the case of doubles) who served first in the tie-break game shall receive service in the first game of the following set.
